AVVERTENZE

Le presenti « avvertenze » hanno lo scopo di eliminare le eventuali incertezze che possono sorgere nella interpretazione dei dati, allorchè si consultano le tavole statistiche contenute in questo volume. A tal fine si è ritenuto necessario definire le modalità cui fanno riferimento i dati indicati nelle predette tavole ogni qualvolta dette modalità possano far sorgere dubbi sul loro preciso significato.

Per facilità di ricerca, accanto ad ogni modalità oggetto di definizione sono riportati, fra parentesi, i numeri distintivi delle tavole statistiche i cui dati sono classificati in funzione della modalità considerata.

Ai fini di eventuali raffronti fra i dati riportati nel presente volume e quelli analoghi risultanti dal Censimento generale della popolazione al 21 aprile 1936, si richiama quanto esposto in proposito nella « Relazione generale » al IX Censimento generale della popolazione.

1. – **Popolazione residente** (*Tavv.* 1, 3 *e* 5). — È costituita dal complesso delle persone aventi, alla data di censimento, la dimora abituale in un dato Comune, anche se non iscritte nel registro della popolazione stabile, tanto se presenti quanto se temporaneamente assenti dal Comune, alla data medesima, per una delle seguenti ragioni: *a*) affari, diporto, breve cura e simili; *b*) baliatico (bambini dati a balia); *c*) istruzione, riabilitazione, noviziato religioso; *d*) servizio militare di leva, di richiamo, di volontariato (esclusi i dispersi in guerra); *e*) servizio statale all'estero; *f*) missione fuori sede; *g*) attività svolte continuativamente in Comune diverso da quello di abitazione della famiglia, sempre che il rientro in famiglia ricorresse almeno settimanalmente; *h*) lavori stagionali o comunque temporanei; *i*) mancanza di sede fissa di lavoro; *l*) imbarco su navi della marina militare o mercantile; *m*) ricovero temporaneo in luoghi di cura o di assistenza, compreso il ricovero in istituti psichiatrici di durata inferiore a tre anni; *n*) detenzione in attesa di giudizio o condanna a pena inferiore a 5 anni o confino.

Nella popolazione residente di ciascun Comune sono altresì compresi: gli sfollati per eventi bellici che in esso hanno conservato l'iscrizione anagrafica, pur alloggiando fuori del territorio del Comune stesso, nel quale non hanno potuto ancora far ritorno per cause indipendenti dalla loro volontà; i cittadini italiani profughi da territori non più amministrati dall'Italia dopo l'ultima guerra i quali, alla data di censimento, si trovavano nel territorio del Comune.

2. – **Popolazione presente** (*Tavv.* 2 *e* 4). — È costituita dalle persone presenti in un dato Comune alla data di censimento, tanto se residenti nel Comune, quanto se residenti in altri Comuni o all'estero.

3. – **Età.** (*Tavv. da* 1 *a* 5). — È misurata in anni compiuti. Così ad es.:

1 anno: dalla nascita fino al 1° anno compiuto (cioè fino al 1° compleanno);

2 anni: dal 1° anno compiuto fino al 2° anno compiuto (cioè fino al 2° compleanno);

3 anni: dal 2° anno compiuto fino al 3° anno compiuto (cioè fino al 3° compleanno);

. . . . . .

fino a 5 anni: dalla nascita fino al 5° anno compiuto (cioè fino al 5° compleanno);

da 5 a 10 anni: dal 5° anno compiuto fino al 10° anno compiuto (cioè fino al 10° compleanno);

. . . . . .

oltre 100 anni: dal 100° anno compiuto in poi.

È da avvertire che i casi di censiti in età ignota sono stati eliminati mediante accertamenti presso i Comuni di residenza e di nascita dei censiti stessi; i rarissimi casi per i quali non è stato possibile accertare l'esatta data di nascita sono stati eliminati in base alle altre notizie del foglio di censimento interferenti con l'età.

4. – **Luogo di nascita** (*Tav.* 5). — Per « *luogo di nascita* » si intende il Comune nella cui circoscrizione risulta situata la località abitata in cui si verificò la nascita; la circoscrizione è riferita alla situazione esistente al 4 novembre 1951.

Pertanto si considerano nati: *nel Comune di residenza*, coloro che sono nati in una qualsiasi località abitata del Comune nel quale risiedevano al 4 novembre 1951; *in altro Comune della stessa provincia*, coloro che sono nati in un Comune diverso da quello di residenza, ma compreso nella provincia cui il Comune di residenza appartiene; *in altra provincia della stessa regione*, coloro che sono nati in un qualsiasi Comune di una provincia diversa da quella che comprende il Comune di residenza, ma facente parte della stessa regione; *in altra regione*, coloro che sono nati in un qualsiasi Comune di una regione diversa da quella cui appartiene il Comune di residenza.
